

License Agreement for Hollywood Impulse Responses - Reverberation Impulses

Please read the terms of the following software licensing agreement before using this software. If your application does not fit the terms listed below please contact Numerical Sound about purchasing an extended license.

- 1) The sound samples recorded on this disk remain the property of Numerical Sound and are licensed, not sold to you for use in conjunction with your music software that can convolve two audio signals.
- 2) You must first sign and return the enclosed registration form before using any of the enclosed impulse responses in any recording. You may fax or email this information with the enclosed serial number to Numerical Sound. It is only then that the data on these CD's can be used providing the licensee agrees with all of the terms listed (1-11) here.
- 3) A right to use the enclosed audio reverberation impulses is granted only to the original end user of this product. This software is not transferable to anyone else.
- 4) The reverberation impulses can only be used to generate reverberation with convolution. The reverberation impulses as sound files cannot be used in whole or in part as sound samples in any audio material.
- 5) The Licensee cannot create and or distribute these or other reverberation impulses that use any part of the Hollywood Impulse Responses for commercial or non-commercial purposes.
- 6) The licensee (both commercial and non commercial usage) may use the reverberation impulses for musical compositions only.
- 7) The licensee must acknowledge using these impulses and use the the following language in the credit or liner notes of a music work - "Reverberation included in this recording is from Hollywood Impulse Responses produced by Ernest Cholakis."
- 8) This license expressly forbids resale or other distribution of these sounds, either as they exist on this disc, or any modification thereof. You cannot sell, loan, share, rent, lease, assign, copy or transfer all or any of the enclosed sounds (impulses) to another user, or use them in any competitive product. This is a non transferable license granted only to the purchaser/end user of "Hollywood Impulse Responses - Reverberation Impulses" product.
- 9) Recording Studios, Recording Companies, Mastering Facilities, Film, Television, Broadcasting Organization companies or any other organization that "rents" audio production time or offers audio post production services to employee or clients must contact Numerical Sound for an extended license. Companies or individuals that produce or sell sampling and or sound effects in any media, or music software in any media must contact Numerical Sound for an extended license.
- 10) Licensor will not be responsible if the contents of this disc does not fit the particular purpose of the Licensee. The reverberation impulse sounds are licensed "as is" without warranties of any kind.
- 11) Neither the producer nor Numerical Sound, nor any distributor of Numerical Sound can be held responsible for any direct or indirect or consequential loss arising from the use of this product in whatever form.

I agree with the terms listed in the above 1-11.

Signature

The product has an advance digital watermarking system. Every reverb impulse can be traced to the original owner and the use of these reverb impulses can be determined from absolutely any audio recording.
